D. Subcontracted services

Counties and Tribes may contract with an agency to administer all or part of their Child Care Assistance Program.

Minnesota Rules, part 3400.0140, subpart 7

If you are planning any changes in the administration of your CCAP, tell your CCAP policy specialist immediately. This could involve subcontracting or mergers of counties. Failing to notify DCYF may delay the changes that you are planning to make.

Does your county or Tribe contract with an agency for any part of the administration of CCAP? Yes No

Do not include cooperative agreements with employment and training service providers that work with MFIP/DWP families to develop and approve the employment service plan.

II. Collaboration and outreach

A. How do you share information about the Child Care Assistance Program so that individuals, child care providers, social service agencies, etc. are aware of child care assistance? ([Minnesota Rules, part 3400.0140, subpart 2](#))

Eligibility workers and employment counselors provide information during client interviews and orientations. The CCAP Eligibility Workers attend quarterly meetings for all of the MFIP case workers and employment counselors. Brochures are readily available in the Human Services lobby. We also have information available on our county website.

B. Agencies are required to work with other public and private community resources that provide services to families to maximize community resources for families with young children. These include, but are not limited to, Child Care Aware, School Districts, Early Learning Scholarships, Head Start, and Early Childhood Screening. List the community programs your agency works with. ([Minnesota Statute, section 142E.09, subdivision 3 \(1\)](#))

We partner with Minnesota Valley Action Council, Head Start, Child Care Aware, Crisis Nursery and Energy Assistance programs. We hold quarterly Employment Service team meetings to discuss job counseling and other client needs. In attendance are eligibility workers, employment counselors and PSOP Staff.

C. How do you work with the community resources above to maximize public and private community resources for families with young children? Include the methods used to share information, responsibility, and accountability among these community resources. For example, partnering with Community Action agencies and local Head Start to help families access early childhood services and economic resources.

We strive to utilize all available funding sources. We often make referrals to community food shelves, the Salvation Army and/or local churches when state and federal funding are not sufficient. Head Start sends literature that eligibility workers and other human services staff can distribute to families. The Le Sueur County Directory of Services (which Eligibility Workers have available for hand out) provides families with some of the following resources: Child Care & Preschool, Community Education, Adult Education & Training, Emergency and Victim Services, Employment Services, Financial Resources, Mental Health Resources, Thrift Stores, Transportation and Veteran Services.

D. Copies of the proposed plan must be made available to the public, including parents, child care providers, culturally specific service organizations, Child Care Aware of Minnesota agencies, interagency early intervention committees, potential collaborative partners and agencies involved in the provision of care and education to young children. You must allow time for public review and comment prior to submitting this plan to DCYF for approval. ([Minnesota Statute, section 142E.09, subdivision 3 \(2\)](#)).

1. Describe how you make copies of the **draft plan** available to the public, including how you plan to notify the public about the existence of this draft and ways the public can provide comment.

The 2025-2027 Le Sueur County Child Care Fund Plan will be available on the Le Sueur County web site at <https://www.lesueurcounty.gov>

2. When was your draft plan available for public review?

07/25/2025 - 08/11/2025

E. After your plan is approved by DCYF, do you post your approved plan on your website? Yes No

III. Eligibility

A. Education plans outside an Employment Plan

Prior to completing this section, review [Minnesota Rules, part 3400.0040](#) and [Minnesota Statutes 142E.12 Subdivision 3](#) to ensure your policies are in compliance. Identify agency developed documents used for education plan requests and notices used to communicate approval or denial in each response and list these in the agency developed document section VIII.B.

1. High school diploma/GED high school equivalency diploma

1a. Do you approve all high school and GED programs? Yes No

2. Remedial and basic skills courses (includes Adult Basic Education and English as a Second Language)

2a. Do you approve all remedial and basic skills courses? Yes No

3. Post-secondary programs

3a. Do you approve all post-secondary programs (including associate degrees, bachelor degrees, certificate programs and technical degrees)?

Yes No

3b. Explain why you would deny a program. Include data and facts to support why students should not receive CCAP while attending.

Le Sueur County does not deny CCAP for clients attending post secondary education, unless it is above what is allowable within the CCAP Policy which would encompass masters programs.

3c. Describe your criteria and procedures for approving a post-secondary program outside an Employment Plan.

Hours are authorized based on class schedule and the needs of each individual student. The Child Care Assistance worker will review the course outline and class schedule. The participant should enroll in a certified program that is realistic to the job market. Most students will be approved for their career of choice as long as the current job market indicates there is placement in that area. Clients will be expected to enroll in Education or Training Programs that reasonably lead to full-time employment opportunities. The Child Care Assistance worker will monitor client and ask the Education or Training Program to inform us whether progress is satisfactory.

4. How do you confirm satisfactory progress as determined by the institution at redetermination?

- Institution confirms the student is making satisfactory progress.
- Student remains enrolled in program.

B. Basic Sliding Fee Waiting List management

1. Priorities for service

Have you established sub-priorities for the third priority Basic Sliding Fee Waiting List?

- Yes
- No

2. How does your agency do a preliminary determination before adding families to the waiting list?

- Verbally collect family size, income, and type of eligible activity
- Family size, income and type of eligible activity collected from the application
- Agency form used to collect family size, income and type of eligible activity (list in section VIII.B)
- Other

3. When adding a family to your Basic Sliding Fee Waiting List, you must inform the family of the priority group determination, and the number of families on the waiting list or an estimated time that they will spend on the waiting list before reaching the top. (CCAP Policy Manual, Chapter 4.3.12.12)

How do you notify a family they were placed on the waiting list?

- The family is sent [DHS-7883A \(You have been placed on the Child Care Assistance Program \(CCAP\) waiting list\)](#)
- The family is sent a notice developed by our agency (list this notice in section VIII.B Agency developed documents)

4. Six month review of Basic Sliding Fee Waiting List

Minnesota Statute, section 142E.04, subdivision 2

4a. You must review and update your waiting list at least every six months. How are families notified of this six month review?

- The family is sent [DHS-7883B \(Child Care Assistance Program \(CCAP\) waiting list update\)](#)
- The family is sent a notice developed by our agency (list this notice in section VIII.B Agency developed documents)

4b. Describe your agency's process for reviewing and updating the waiting list. If your agency does not currently have a waiting list, describe your process in the event your agency does start a waiting list.

When families have been on the Basic Sliding Fee Waiting List for 6 months, a CCAP Waiting List Update form is mailed to the family requiring that updated information be returned by 15 days. The CCAP Waiting List Update form notifies the family that if the information is NOT returned in 15 days, their name will be removed from the Basic Sliding Fee Waiting List.

- When you receive the completed application. If no application is received, the family is removed at the end of the time period allowed for returning the application. The notice sent with the application informs the family that their name will be removed from the waiting list if the application is not received by the deadline.

5b. How do you notify a family that their name was removed from the waiting list?

- The family is sent [DHS-7883C \(Child Care Assistance Program \(CCAP\) funds available\)](#)
- The family is sent a notice developed by our agency (list this notice in section VIII.B Agency developed documents)

6. Temporarily ineligible families on the Basic Sliding Fee Waiting List

When a family reaches the top of the waiting list and is temporarily ineligible, leave the family at the top of the waiting list for 90 days, according to priority group and serve the applicant who is next on the waiting list.

Minnesota Rules, part
3400.0040, subpart 17

Do you have an alternate procedure that extends the timeframe beyond 90 days?

- Other method.

CCAP Policy Manual,
Chapter 9.1.3

2. How do you communicate authorized hours for school release days to parents, providers and billing workers?

A worker comment is added to notices. When bills are submitted by provider, the child care worker can read through their case notes and worker comments on notices to help familiarize themselves with the family's individual situation to help guide the payment. We have excellent communication between worker/family/provider.

D. Child care for families with flexible schedules

1. How do case workers authorize care for families with flexible schedules in your agency?

- Authorize the typical number of hours needed and when the schedule requires additional care, the provider bills for the additional care.
- Authorize the minimum number of hours care is needed and when the schedule requires additional care, the provider bills for the additional care. Payment is made by increasing the number of hours listed in the "total hours of care authorized" field on the billing window or by creating a new Service Authorization.
- Authorize the highest number of hours care is needed with the provider. The provider is expected to bill only for the time that care is needed.
- Other method.

CCAP Policy Manual,
Chapter 9.1.6

2. How do you communicate scheduled and authorized hours to parents, providers and billing workers?

A worker comment is added to notices.

E. Authorizing care for clients with Employment Plans

Job counselors and CCAP workers must communicate child care needs for clients with Employment Plans. Guidance is found in [CCAP Policy Manual, Chapter 9.1.5](#).

1. CCAP workers must obtain an activity schedule prior to authorizing care. Who is responsible for obtaining the schedule information from the client?

An agency may identify other reasons to extend redetermination dates beyond 12 months. For example, an agency may extend redetermination dates to balance out a workload. See [CCAP Policy Manual, Chapter 10.3](#) and [Minnesota Rules, part 3400.0180, subpart 1](#).

1. Does your agency extend redetermination dates beyond 12 months?

- Yes No

IV. Policies applicable to legal nonlicensed providers

A. Annual monitoring and training

Any legal nonlicensed provider with an open Service Authorization for a child who is not related to them must complete Supervising for Safety training within 90 days of the authorization start date and have an annual monitoring visit. See [CCAP Policy Manual Chapter 11.9](#) and Minnesota Rules, part [3400.0020, subpart 37a](#) and [3400.0120, subparts 6 and 9](#).

1. How does your agency track legal nonlicensed providers who have an open Service Authorization for unrelated children?

- All legal nonlicensed providers are tracked on a spreadsheet. Spreadsheet includes date that unrelated child Service Authorization began, due date for Supervising for Safety training, and due date of annual monitoring visit. Spreadsheet is checked every month to determine if training or an annual monitoring visit is due.
- Other

2. What are your agency's internal processes and procedures for completing annual monitoring visits?

- Agency contacts the provider at least 30 days prior to the date the annual monitoring visit is due. Agency schedules a time to visit. Agency visits the provider and reviews the [Legal Nonlicensed Provider Monitoring Checklist \(DHS-7867\)](#) with the provider. Agency submits the [Monitoring Visit Summary \(DHS-7867A\)](#) to DCYF within 10 days of the visit and notify DCYF if the provider fails any items.

Note: See [CCAP Policy Manual 11.9.18](#) for the process that agencies must follow when a provider does not demonstrate full compliance with the health and safety policies at the monitoring visit.

B. Complaints and incidents

1. Records of substantiated parental complaints

Within 24 hours of receiving a complaint concerning the health or safety of children under the care of a legal nonlicensed (LNL) provider, an agency must relay the complaint to the agency's child protection agency, county public health agency, local law enforcement, and/or other agencies with jurisdiction to investigate complaints.

Information regarding substantiated complaints must be released following applicable data privacy laws. See [Minnesota Statutes Chapter 13](#). When a report is substantiated, see [Minnesota Rules, part 3400.0140, subpart 6](#), for record retention and provider payment policies.

When complaints are substantiated how do you:

1a. Maintain these records?

Records are maintained within our computer system SSIS

1b. Make this information available to the public when requested?

2. Aggregate reporting of incidents

At least quarterly, agencies must report to the Minnesota Department of Children, Youth, and Families the aggregate number of deaths, serious injuries, and substantiated maltreatment incidents for children under the care of legal nonlicensed (LNL) providers. See [Minnesota Rules, part 3400.0140, subpart 14](#).

2a. How will you record and maintain accurate counts of incidents that occur in legal nonlicensed settings registered by your agency?

When the Quarterly Incident Report comes in, our Licensor does a Record check in SSIS for incidents. These are then reported to our Child Care Worker who completes the Report and maintains a copy.

V. Higher rates for providers serving certain populations

Higher rates, above the standard maximum rates, can be paid to providers if approved by the commissioner (up to the provider's charge).

- Circumstances outside of provider's control (natural disaster, state of emergency, damage to care setting, mail delay).
- Other

2. For each criteria under question 1, how many days late would you allow a provider to submit bills for payment (must be between 60 days and 1 year from the last date of service on the billing form)?

1. Do you allow payment to exceed the absent day limit for children authorized with providers that meet these requirements?

Yes No

VII. Program integrity

A. Agency case management reviews can be used to determine causes of errors and identify specific policies needing review.

1. Do you conduct case management reviews of CCAP? Yes No

If yes, describe the process, including:

- How cases are selected,
- Which staff complete the reviews,
- What forms are used (DHS-5312D is available. If a different form is used, please list form(s) in Section X.B. Agency developed documents and submit with plan),
- How errors are resolved, and
- How staff are informed of correct policy.

Supervisor randomly selects cases from the Program Area. I look through paperwork and correspondence using DHS 5312D. If errors are found I will bring them to the attention of the CCAP worker so that corrections can be made in a timely manner and as needed.

VIII. Other information
