

ORDINANCE 2003

An ordinance relating to the sale, possession, and use of tobacco, tobacco products, and tobacco related devices in the County and to reduce the illegal sale, possession, and use of such items to and by minors.

The Le Sueur County Board hereby ordains:

Section 100. Purpose. Because the County recognizes that many persons under the age of 18 years purchase or otherwise obtain, possess, and use tobacco, tobacco products, and tobacco related devices, and such sales, possession, and use are violations of both State and Federal Laws; and because studies have shown that most smokers begin smoking before they have reached the age of 18 years and that those persons who reach the age of 18 years without having starting smoking are significantly less likely to begin smoking; and because smoking has been shown to be the cause of several serious health problems which subsequently place a financial burden on all levels of government; this ordinance shall be intended to regulate the sale, possession, and use of tobacco, tobacco products, and tobacco related devices for the purpose of enforcing and furthering existing laws, to protect minors against the serious effects associated with the illegal use of tobacco, tobacco products, and tobacco related devices, and to further the official public policy of the State of Minnesota in regard to preventing young people from starting to smoke as stated in Minn.
