The Shoreland Contractor list is just a starting point for shoreland homeowners, and is not an inclusive list of every contractor that has experience working within the Shoreland District. Le Sueur County does not endorse contractors over others.

Remember to obtain estimates. Prices and availability will vary for each contractor. Ask to see photographs of previous projects and inquire about the prices. Please contact Le Sueur County Environmental Services **PRIOR** to construction of project in order to see local permit requirements.

Questions? Contact Holly Bushman:

Address: 515 S Maple Ave Le Center, MN 56057

Office Number: (507) 357-8540
