Per the Le Sueur County Zoning Ordinance – Section 17, a compliance inspection on an existing septic system or subsurface sewage treatment system (SSTS) shall be required when any of the following conditions occur:

- a. Prior to issuance of a zoning permit within Shoreland Zoning Districts.
- b. Prior to issuance of a zoning permit requested for all single-family dwellings or change in the principal structure for all non-shoreland Zoning districts.
- c. Upon receipt of a variance and/or conditional use permit application.
- d. When a construction permit is required to repair, modify, or upgrade an existing system.
- e. Any time there is a change in use of the property and/or expansion of the structure being served by an existing SSTS, which may impact the performance of the system.
- f. Prior to property sale or transfer.
- g. At any time as required by this Section or the Department deems appropriate such as upon receipt of a complaint or other notice of a system malfunction.

This waiver allows the landowner to forgo a compliance inspection and disclose any known information about the existing septic system servicing the above listed property.

As the landowner of the above listed property *(initial the following)*;

____ I understand that I am disclosing, without inspection, that the septic system does not meet MN Rules, Chapters 7080-7083 Requirements or Le Sueur County Zoning Ordinance.

____ I understand that I am required to have a compliant septic system servicing the above listed property within ten (10) months.

This NOTARIZED waiver shall be submitted to:
 Le Sueur County Environmental Services Department
 88 South Park Avenue, Le Center MN 56057
septic@lesueurcounty.gov

I understand that I will face legal penalties and will be turned over to the Le Sueur County Attorney and/or Minnesota Pollution Control Agency for enforcement if the work is not completed as agreed.
