Legal Description: ***ATTACH FULL LEGAL DESCRIPTION (Not abbreviated legal description from tax statement)***

- The land that is the subject of a zoning permit or development is located within the Mineral Resources Overlay District, where Le Sueur County and the DNR have determined mineral resources are an important resource in this area.
- Mineral extraction operations may be accompanied by noise, dust, odor, light, and other off-site impacts.
- Mineral extraction is given preference over residential uses within the Mineral Resources Overlay District.
- Residents have a right to live in the Mineral Resources Overlay District. However, residents shall be prepared to accept that mineral extraction operations and accompanying impacts associated with this use are a normal and necessary aspect of living in the Mineral Resources Overlay District.

I hereby acknowledge with my signature that the above-described property is located within the Le Sueur County Mineral Resources District.
